Therefore, this association does not exclude a church from its fellowship or deal with it as a body for

any cause. However, this association does have the authority to determine what churches shall be affiliated with it by reason of its power to seat, or refuse to seat, the messengers from a church not in harmony or fellowship, by doctrine and practice, with this association.

On the invitation of a church, this association may send a committee or committees into a church, for discussion only. If reports of unfaithfulness or disloyalty comes to the knowledge of the association, it may ask the Credentials Committee to inquire and report to the association.

6. Mr. C. Gordon Maddrey gave a report on the Baptist Foundation. He stressed the importance of making a will.

BAPTIST FOUNDATION REPORT

This report may be one of over-enthusiasm for the fine way the Baptists of North Carolina are beginning to understand and use the Foundation. This has been a good year in Baptist Foundation work and we are eternally grateful to each of you for having a part in promoting the work of the Foundation.

We are indeed grateful to the pastors of this state for the wonderful cooperation they have accorded the Baptist Foundation by furnishing the names of indivudials who may be interested in the Foundation, by inviting us to their churches to speak on various occasions, and by discussing with us the problems, programs, and purposes of the Foundation whenever we had the opportunity. Many of our lay friends - lawyers, bankers, trust officers, and other interested individuals - have given of their time and have helped us materially in promoting our work.

Assets of the Foundation have increased during the past year and at the last accounting, around December, the total assets of the Foundation had reached approximately one million dollars including our real estate. Many of our people are setting up memorial funds, turst agreements, annuity agreements and are using other services provided by the Baptist Foundation. We believe we are organized in such a manner that we can answer most any request an individual makes of us, either through the church or as an individual, if he will make his wishes known to us. We can visit him individually and explain the work of the Foundation and how he may participate in it, or we can go to any group meeting that would provide an opportunity to discuss will making and uses of the Foundation. We covet your continued prayers for this work and hope that in the future you will make use of the facilities of the North Carolina Baptist Foundation, Inc.

Respectfully submitted,
C. Gordon Maddrey
Executive Secretary

7. Mr. L. H. Hollingsworth of Wake Forest College gave

a report on Christian Education, expressing the importance of having a Christian college closer to the people of Western Carolina.

CHRISTIAN EDUCATION REPORT

We Baptists, a Christian group seeking the betterment of the world, should be delighted that during this affluent age of ours, there are thousands of young people who are determined to get an education. Furthermore, we should be delighted that various institutions - governmental, religious, etc. - provide places of higher learning which greatly facilitate the transferral of knowledge.

Naturally, we have come to expect some specific results from a college education. First, we hope that by sending our youth to college, their chances to live a happy, fruitful life will be enhanced and that their spiritual values will be more firmly grounded upon truth. Second, in our western civiliaztion we assume that college attendance will in some way increase the ease of gaining and satisfaction of having a stable livelihood. Our Baptist institutions of higher learning, though far from perfect, yield these results.

Conscientious efforts are made by the administration to help our youth develop in Christlikeness. However, not all students who attend our Baptist schools come away exemplifying Christ; neither do all the youth who leave our own Christian firesides "show forth Christ." These Christian schools are dealing with individuals who are endowed by their Creator with a power of choice - a power which some will use to their own detriment regardless of the efforts expended to aid them in procuring for themselves the advantages of God and Right.

The colleges are academically accredited so that training received there is honored by secular concerns of our nation.

The more specific and most important task of Baptist schools is preparing young people for sending the gospel around the world. There is training available for almost any person who wants to better prepare himself to carry the Word. Our Baptist colleges and seminaries are dedicated to better preparing those whom God has called. Fruitland Bible Institute here in Western North Carolina is designed to help those preachers who have

not had the advantage of higher education. Seminary Extension classes are also available.

Christian education needs our loving criticism, our encouragement, and our prayers.

8. Stewardship message - later.

9. Cooperative Program Report given by Mrs. W.E. Bates.

COOPERATIVE PROGRAM REPORT

A pressing need of each church in our association is an undergirding of the Cooperative Program with prayer. Information on the world wide missionary work carried on through the Cooperative Program will form a basis by which your church can pray with knowledge and zeal.

The Cooperative Program must be nurtured in prayer because information alone is not enough. It is hoped that every church will have a special prayer for some mission cause supported through the Cooperative Program in the Prayer Service each week during the month of October.

We are witnessing the greatest missionary advance in Southern Baptist history in missionaries being sent, benevolent work done and training of young people for world wide service. This advance is being made through our missionaries, orphanages, schools, homes for the aged, and out Baptist hospitals. Through the Cooperative Program you literally feed the hungry, clothe the naked, heal the sick, and preach the gospel to the far corners of the earth.

We are making progress in our concern for those Jesus came to seek and to save. Each year more of our churches are increasing Cooperative Program giving and at the same time others are beginning whole hearted participation.

Several associations in North Carolina have 100% of their churches giving through the Cooperative Program. According to available records our association gave a total of $1,304.79 this past year through the Cooperative Program. Twelve churches did not share in world missions through the Cooperative Program.

With enthusiasm let us be faithful in worshipping with tithes and offerings, and our church sharing regularly through the Cooperative Program for the benefit of a lost world.

Respectfully submitted,
Mrs. W. E. Bates

10. Mr. W. R. Wagoner gave a report on the Children's Homes expressing appreciation for help given, also the desire of a home in Western North Carolina in the near future.

REPORT ON CHILDREN'S HOMES

Under the impact of the life, ministry, and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-one years ago launched a Christian ministry of child care. This has grown much and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Christian Homes are scattered throughout the world, actively engaged in all walks of life and making significant contributions to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

As we continue to build upon foundations already laid, special attention is being given certain areas of child care. An already strong program of group care is being strengthened at Mills Home, Kennedy Home and Odum Home. A good degree of progress has been made to working with emotionally disturbed children at Greer Home in Chapel Hill. Prospects are encouraging for a home for children in the western part of the state. Constant attention is being given to more effective ways of meeting the highly specialized needs of children coming from broken and inadequate home situations.

We have a large number of good Christian homes for the care of foster children. More are needed in all sections of the state. Foster homes serve children of all ages and are of particular advantage for some who have special needs. Foster home parents may be of varying ages and circumstances in life. Couples with or without children of their own who have an abundance of love find this to be a challenging and rewarding opportunity of Christian service. Sincere appreciation is expressed to all who have, in any way, helped to support our

child care ministry. We are thankful for increasing income through the Cooperative Program. Last year's Thanksgiving Offering is approaching $315,000 and is the largest ever given. Special gifts and designations continue to provide a substantial part of our income. Through estate planning and the making of Christian wills, many are investing in present and future generations of boys and girls.

We covenant with you to face the future as we have in the past; to offer Christian nurture to distressed children in the name of the Lord Jesus Christ.

11. Mr. E.H. LaFerry spoke on changing the associational annual meeting to one day instead of two, due to the fact that many people work and poor attendance on the second day. Mr. LaFerry, Rev. Bill Smith and Rev. Calvin Thompson were appointed to prepare changes and resolutions to be presented and voted on the next day.

12. The messengers elected the following officers to serve for the coming year. Moderator - Rev. Parker Harrison; Vice-moderator - Rev. Fred Satterfield; Clerk - E. H. LaFerry; and Treasurer - Mrs. W. E. Bates.

13. The Nominating Committee nominated the following who were elected by acclamation.

Pianist and song leader - Mr. J. P. Baine; Historian - Alonzo Kilpatrick; Sunday School Superintendent - Fred Graham; Training Union Director - Rev. Bill Smith; Vacation Bible School Leader - Mrs. Lottie Murphy; and the following associational representatives were also elected by acclamation: Memorials - Mrs. Joy Watkins; Baptist Children's Homes - Mrs. Effie Ledford; Baptist Hospital - Vernon Herron; Homes for Aging - Hampton Montieth; Christian Education - Bernice Boring; State Missions - Mrs. Pauline Harrison; Cooperative Program - Mrs. W. E. Bates; Christian Action League - Rev. Frank Fisher; Annuity Board - Rev. W. D. Graham; American Bible Society - Mrs. Joe Simonds. The following committees were also elected: Nominating - W. E. Bates, Lester Ledford and Rev. Fred Satterfield; Missions, Budget and Finance - E.H. LaFerry, Gay Murphy and Rev. Bill Smith; Evangelism - Rev. Ed Cheatham and Rev. Fred Satterfield; Credentials - Rev. Harrison Parker, Rev. W. D. Graham and Rev. Earl

Cable; Resolutions - Mrs. Gwendolyn Beavers, Mrs. Roy Ingraham and Mrs. Paul Ray Hawkins.

14. Mr. Roger Branch of the BIBLICAL RECORDER brought greetings from the Convention paper and spoke on the importance of reaching out to the unchurched.

15. The Executive Committee Report was given by the moderator.

EXECUTIVE COMMITTEE REPORT

The Executive Committee met quarterly during the year. In the October meeting the committee approved the calendar of Activities and the budget for the 1965-66 associational year. In the July, 1966 meeting it approved the application for pastoral aid to the pastor of Little Glade Church.

Respectfully submitted,
Fred Satterfield

16. The Baptist Hospital Report was given by Mr. Vernon Herron.

REPORT ON THE BAPTIST HOSPITAL

Our obligation to our hospital is a great one and a very important one. We are not only giving to the needy sick people but to God also. For if we give as much as a cup of cold water in Christ's name we are obeying the scripture that Christ wants us to follow. Mother's Day is a day designated for all churches to give to their Baptist Hospitals. If we who are followers of Christ fail this great obligation then many people will suffer from our neglect. We owe it to God and needy people to support our Baptist Hospitals in the great effort to heal the sick.

The kind of medical care provided by our hospital is very expensive and the hospital has been spending in free care for our people more than it receives from the Mother's Day offering, the Cooperative Program and all welfare agencies combined. The Medicare program does not change the situation greatly. There are so many thousands of people who come to the hospital under the age of 65. Some of our churches support our Baptist Hospital well, but there some that could do more.

But thanks to the 19 churches of the West Liberty Association that contributed so generously this past year.

Respectfully submitted,
Vernon Herron

17. The Vacation Bible School Report was given by Mrs. Lottie Murphy.

VACATION BIBLE SCHOOL REPORT

A Vacation Bible School in every church is still our goal, but we haven't reached it yet. We believe there will be twenty or more this year, which is a good increase over last year. The reports are incomplete at the present time. So far we have a record of 16 professions of faith and 29 rededications in the Vacation Bible Schools. The Associational Vacation Bible School clinic was held with the Ranger Church and was well attended. Some workers attended the State Clinic at Wingate College, which was very helpful.

We urge every church to work and pray for more and better Vacation Bible Schools next year.

Respectfully submitted,
Lottie Murphy

18. The Training Union Report was given by the Rev. Bill Smith.

TRAINING UNION REPORT

I feel we have had a good year of Training Union work. All meetings were held. We would like more churches to organize a Training Union. We have such a good opportunity for this.

God's word says in Mark 16:15 to go preach; Matthew 28:19 to go teach; Luke 9:2 to go heal; and Matthew 28:20 to go train.

This is the Commission that we have in God's word. Use them in the Training Union program.

Respectfully submitted,

19. The W.M.U. Report was given by Mrs. Lois McNabb.

WOMAN'S MISSIONARY UNION REPORT

"Laborers together with God." I Corinthians 3:9. "Having the everlasting gospel to preach unto them that dwell on earth, to every nation, and kindred, and tongue, and people." Rev. 14:6 (Watchword 1965-1966).

A prayer retreat has become an established part of W.M.U. work for seekers who long to know God better and look at their lives in the light of His Spirit and will. The Retreat was held at Truett Camp under the leadership of Mrs. Lena Greene with a wonderful atmosphere of prayer.

An Associational wide study course for our Foreign Mission study was held at Mt. Carmel Church under the leadership of Mrs. E. G. Altland, associational prayer chairman, with very good attendance and participation.

The W.M.U. annual meeting of West Liberty Baptist Association met with Violet Church, April 29. Miss Carol Henson, missionary to Chile, gave a very interesting as well as inspirational report on the work being done in Chile. Other features of the program included beautiful music by a large group of young people from the Liberty Church under the leadership of Miss Bernice Boring, and a skit on Missions by ladies from Friendship Church.

The G.A.'s from Ranger and Friendship, led by Mrs. Harry Burgess, gave a briefing and challenge to make us aware of mission fields around the world.

The annual meeting was well attended by all phases of our W.M.U. organizations and we were blessed with a goodly number of our pastors present at the meeting.

Our challenge is that we pray and work together to make 1967 a better year in our endeavor to make our lives of more value in service for God's mission work.

Respectfully submitted,
Lois McNabb
Associational W.M.U. President

20. Congregation singing was had, led by J. P. Baine.

21. The annual session sermon was brought by Rev. Arthur Dale, reading from Matthew 22, and speaking on the foundation of our faith, stressing the importance of prayer, and joy in working with fellow Christians. Following prayer and thanks for the lunch, the meeting adjourned for the noonday meal.

AFTERNOON SESSION

22. The afternoon session was opened with the congregation singing "Press Along To Glory Land" and special singing by Mr. J. P. Baine, Rev. and Mrs. Parker Harrison.

23. Scripture and prayer by Rev. Parker Harrison, reading from the 46th Psalm.

24. The Sunday School Report was given by E.H. LaFerry.

SUNDAY SCHOOL REPORT

Our Sunday Schools continue to be the organization which reaches more people of and for the churches. In the association, some 28 churches, 10 reported a gain in enrollment and attendance. Regrettably, too many show a loss. Overall, however, the picture is not as bad as may first appear. We recognize the decline in population in our area, especially among young people. Yet we know there is a great work to be done by the Sunday Schools. Many are yet to be enlisted.

The Fifth Sunday Associational Sunday School meetings have been helpful, but attendance should be better. Also better planned programs would be beneficial.

One great task is training more leaders and teachers.

Respectfully submitted,
E. H. LaFerry

26. Seminary Extension Center and Truett Camp Report was given by Rev. W. D. Graham.

27. Homes for the Aging Report was given by Mr. Hampton Montieth.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Reflection on the past year of life in our four Baptist Homes for the Aging is a reminder once again of the goodness of the Lord to us. We are constantly aware of the bountiful way in which He has blessed us, and this has been particularly true since our last report to the good people in our Baptist Associations.

During this time we have ministered to 172 deserving older men and women. All of these have been blessed by the love gifts of North Carolina Baptists, through the Special Day offering, received on the third Sunday of February each year, and through our share of the Cooperative Program. The large majority, at least 85%, have benefitted directly from these gifts and have actually been sustained at the point of their financial need.

The Special Day offering for 1966 is at an all time high and looks as if it might be $100,000.00 for the first time. This is very good, and we are profoundly grateful. We must not forget, however, that, even though there has been a 5% increase in the offering from last year, costs have advanced by 7%.

We are in the midst of miracles, and the past year has been one in which we have witnessed unusual blessings from the Lord. There have been fewer deaths than previously, and the critical ill, in many instances, have been brought back to a measure of reasonably good health. Nursing care has been of the highest quality, and you would rejoice to know how far your concern and your gifts go in ministering to the needs of the residents, particularly at the point of tender loving care in illness.

Perhaps the outstanding paradox in all of our homes is that the first resident to receive a Medicare card, during this first year of the operation of Medicare, is our oldest resident, who never takes any medication at all and who does not need to see a doctor, or go to the hospital. She is Aunt Fannie Drumwright, who celebrated her 105th birthday in July.

It is anticipated that construction will begin on our fifth Home in Yanceyville during the coming year, and when it is finished, we will be able to minister in all our Homes to 200 older men and women and relieve, in measure, the terrific pressure of a long waiting list of 170 people.

This ministry of love, in Christ's name, is dependent upon the concern, the love, the prayers, and the increased financial support of North Carolina Baptists. We are, therefore, going to count heavily on you and believe that you will not disappoint that aging people who are looking to you urgently for help.

Respectfully submitted,
Hampton Montieth

28. Mr. William Poole, representative for the Homes for the Aging, expressed his concern for the aging, and the help we can give them in our Homes. He also brought greetings from our Baptist Hospitals.

29. The Christian Action League Report was given by Rev. E. G. Altland.

CHRISTIAN ACTION LEAGUE REPORT

There is more demanded of the Christian today than ever before in the history of the world. There is more to detract than ever before, thus causing a flagrant violation of the laws of God. Unless America comes back to God's will and Word we are doomed as a Christian nation. To all appearances there is a falling away in the churches in the U.S.A. The leadership of nearly every phase of American life is neglecting the word of God in their personal lives. To all outward appearances, they are church going persons. This does not make one a Christian. Personal faith in Jesus Christ as personal Lord and personal Savior is absolutely necessary if one is to be found in the Kingdom of God.

There are three immutable laws of God that need to become actively obeyed in faith in Christ:

1. "Ask whatsoever ye will, if faith believing, and ye shall receive it." There are three conditions necessary here:

Soul sincere desire, Be willing to let God fulfill it His way, and after God answers give Him back the results. God has deposited enough to take care of all requests, but faith to believe it is absolutely necessary.

2. "Whatsoever a man soweth that shall he also reap." Galatians 5. Like produces like. We cannot sow negligence, indifference, hatred and the sins and vices as mentioned in Galatians 5. Too many Christians sow to the flesh and then on Sunday they go to church and pray for a crop failure. We reap more of what we sow, and longer in time of what we have sown. Development of the Christian character depends upon what we sow.

3. "Whatsoever ye do, do all to the glory of God." "The heavens declare the glory of God." How do we glorify God? In our deeds, in our reverence to God? by recommending God's good news to every person we meet. This is the only way to get back to God and unless we do so our nation is doomed. We glorify God through our lives. So let us praise Him more.

Pray for our President and our national leaders. Pray for our denominational leaders and churches. May we support our Baptist program against alcoholism, communism, and Un-American activities, and get in behind our Baptist program of mission advancement.

We are living in day of speed, time is running out; we may already be in the eleventh hour. If a witness is to be carried out in all faithfulness we must move more rapidly for our Lord lest night overtake us. But for the longsuffering of our Lord the end of time might have already been reached.

Respectfully submitted,
E. G. Altland

The Southern Baptist Protection Plan provides benefits for

age, disability, and for the widow of a minister. The cost for the protection is based on the minister's salary and is 10% of any amount up to $4,000 a year.

There is also a health benefit plan available for pastors.

In 1965 almost $4 million dollars was paid in age retirement, disability, or widow benefits. Today more than 16,000 churches are providing protection through this program for their pastors.

West Liberty Association has moved forward in this service in the past year and we hope they will continue until every church is participating in the plan. Please read I Corinthians 9:1-14.

Any church that would like more details concerning this plan please let us know.

Respectfully submitted,
W. D. Graham.

Therefore, this association does not exclude a church from its fellowship or deal with it as a body for any cause. However, this association does have the authority to determine what churches shall be affiliated with it by reason of its power to seat, or refuse to seat, the messengers from a church not in harmony or fellowship, by doctrine and practice, with this association.

7. Cooperative Program Report given by Mrs. W. E. Bates, report adopted as read.

REPORT ON COOPERATIVE

Despite the fact that Southern Baptists have been sharing the gospel through the Cooperative Program since 1925 many do not know what this plan is. The question--What is the Cooperative Program?--is often heard.

The answer is simple. What the budget is to the local church the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad, it's preaching the gospel--it's healing in the name of Jesus through hospitals and clinics everywhere, it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as the local church channels a part of its income through the Cooperative Program we enter into partnership with God and one another in obedience to the command, 'Go...Preach... Teach...'

Let us resolve to pray earnestly for all Kingdom work and support our prayers with sacrificial giving of self and substance.

Last year North Carolina Baptists gave $5,787,311 through the Cooperative Program. Supplementing this with Special offerings amounting to $2,897,639, we had a total of $8,684,950 for all mission causes!

According to records available our Association gave $1,704.40 during the last year for World Missions through the Cooperative Program.

We recommend;

(1) That each church plan, vigorously promote, and subscribe a worthy budget.

(2) That special emphasis be given to prayer for the Cooperative Program during October.

(3) That each church give regularly through the Cooperative Program.

(4) That in response to the special call of the General Board State Convention we increase our Cooperative Program giving by at least 10% during the coming year.

8. Associational Foundation Report for 1967 by Bob Bruhn.

ASSOCIATIONAL FOUNDATION REPORT

In the absence of our very efficient Executive Secretary of the Baptist Foundation of North Carolina, we shall attempt to provide a brief report for such use as may be necessary for the Associational Meetings beginning the first week in August. Certainly in the history of the work of the Baptist Foundation and especially in its last four years of active promotion, 1967 will be remembered as a year of tragedy with our leadership. For some months our Chairman, Dr. I. G. Greer, has been critically ill at his home in Chapel Hill. Some two weeks ago our Executive Secretary, C. Gordon Maddrey, was stricken with a series of heart attacks and has remained in critical condition in Rex Hospital. The loss of the leadership of these two faithful men at any time would be tragic, but especially as we approach the annual meetings of our Associations throughout the Convention.

If Mr. Maddrey were able to prepare this report, he would thrill us with the many interesting and challenging developments up to the time of his illness two weeks ago. This has been the most fruitful year in the work of the Foundation with many new commitments and marked progress in developing some of the projects of large standing. This is especially true of the new Home for the Aging in Yanceyville which you will hear much about in the report on the Homes for the Aging. Certainly this will continue to constitute a great challenge to many of our people who can find in the Baptist Foundation their finest opportunity for investing in the Kingdom Enterprises.

It will be our purpose to have a representative in all the Associational Meetings to bring a last minute report on the work of the Foundation and the condition of our fine leaders. Certainly all of us will continue to remember them in our prayers and best wishes.

10. Mr. W. K. McGee brought greetings from the Baptist Hospital and told of the work being done there.

Mr. Vernon Harron gave Hospital Report.

HOSPITAL REPORT

This has been a good year, most all churches have responded well to the Mother's Day offering. 98% of our churches have given to Mother's day offering, and a number of our independent churches have not given. Still our obligation to our hospital grows more and more extensive. There are more than 12 hundred people employed at the hospital and they have to have living wages, besides the high cost of medicine and other expenses of the hospital. Remember that Jesus spent 3 1/2 years teaching and healing and turned no one away.

11. Vacation Bible School report by Mrs. Lottie Murphy.

VACATION BIBLE SCHOOL

A Vacation Bible School in every church is still our goal, but we haven't reached it yet, there have been 17 churches reported, the reports are incomplete at the present time.

So far we have record of 17 professions of faith and 24 rededications in the Vacation Bible School, the association Vacation School Clinic was held with Oak Grove church and was well attended.

Some workers attended the State Clinic at Wingate College which was very helpful. We urge every church to work and pray for more and better Vacation Bible Schools next year.

REPORT ON WOMAN'S MISSIONARY UNION

Woman's Missionary Union Report...Aug. 10, 1967.

Grow in grace and in knowledge of our Lord and Savior Jesus Christ. 2 Peter 3:18 (Watchword 1966-1967). Ranger, Mt. Carmel, Friendship and Liberty W. M. U. organizations have reported as being active this year. NO reports were received from Hopewell and Macedonia, however some of the ladies from these churches were present at our annual meeting and we trust they will become active and report this years activities.

With the exception of one member all the West Liberty officers attended the State promoted workshop for leadership training at Fruitland in September, 1966.

The Prayer Retreat under the leadership of our chairman Mrs. Stacy Gibson, was an inspiration. A goodly number attended at Mt. Carmel Church.

Liberty church was host to a well attended Associational Mission study, preceding our Week of Prayer for Foreign Missions. This was planned under the leadership of Mrs. E. G. Altland who invited all the men, ladies, young people and children to participate.

The W.M.U. Annual meeting of West Liberty Association was held in Ranger Church April 24, 1967. G. A. Girls from Liberty and Friendship gave the devotion. Sunbeams under the leadership of Mrs. Grace Carringer made everyone aware of the mission possibilities at our disposal with our very young children. The Missionary message was brought to us by Rev. Joe Gatlin, Missionary in Tanzania.

16. Sunday School Report by Fred Graham.

SUNDAY SCHOOL REPORT

During the past year we believe there have been some gains in Sunday School work, altho not as much as could have been, had we as leaders worked as hard as

we should. I believe at least two hundred more people could be added to the Sunday School roll.

We need to become involved in reaching more people through our Sunday School Organizations and Visitation Program.

We believe there can be a much better planned and more helpful program in the quarterly Sunday School Meetings.

17. Associational Missionary's Report, by Rev. W. D. Graham.

18. Seminary Extension & Truett Camp Report by Rev. Fred Lunsford.

SEMINARY EXTENSION & TRUETT CAMP REPORT

Seminary Extension...

Seminary Extension means much to the people of our area. It affords good training for pastors, Sunday School teachers and other church leaders. God has blessed us with this opportunity of preparing ourselves for a task that is so important that we cannot afford to be or do less than our best.

Courses are provided in Bible Study, History, Christian Education, and other areas which is tremendous help to all of those who take advantage of the opportunity by attending the classes.

Seminary Extension classes were held at Ranger Baptist Church in West Liberty

Association beginning at the first of January, and closing about the last of March of this year. Two courses were offered, one a survey course on the New Testament, and one in the history and doctrine of Baptists. We had an enrollment of 31 in one or more of these courses. The first of next January we will be opening classes once again in West Liberty Association hoping that we have a much larger enrollment this time.

Classes will be opening at The Little Brasstown Church in the Western North Carolina Association this fall, beginning on September 19 at 7:00 p.m.

Courses being offered are: Religious Education 115, Religious Education 215, New Testament 152 (Galatians) and Music 155. We would invite each and every one to come over to Brasstown for these classes.

Should we not 'Study to show ourselves approved unto God a workman---'

This is an opportunity for us to do so.

George W. Truett Camp Report...

The 1967 camping season for the George W. Truett Camp was a year of highlights. Many changes were noted in the program, staff, attendance and facilities.

The Camp Committee, with the approval of the Baptist State Convention borrowed $1000.00 to match a gift of $1000.00 from the Baptist State Convention in order to provide new recreational facilities for the 1968 camping season. The Building and Grounds Committee under the leadership of Rev. Robert Clegg did an outstanding work in planning and preparing these new facilities. The rain prevented the use of all the new facilities but the ground work was laid for 1968 and the future years for Truett Camp. A new ball field, carpet golf, shuffle board, indoor games, pingpong, horseshoe and several other items were prepared. The finest addition was the grading and graveling of the road. The enclosed financial report will show the work and cost of construction.

Many churches have responded very favorably with financial support for the camp.

The Camp Committee is asking each church in Region Ten to contribute at least $35.00 per year for the next three or four years to pay for the cost of construction for 1968 and other long range plans for the camp. You will be hearing more about these long range plans in the coming months.

The most important part of the report is the part concerning the campers. We had 223 campers and staff in camp for the six weeks period. In addition to the number involved in the regular program there were 62 for a Sunbeam Day Camp. Youth Retreat with 56 attending, and a Church Young People Retreat with 16 in attendance.

During the camping season we had 36 professions of faith, numerous rededications, and 20 dedicated themselves for a church related vocation. In addition to our Camp Director, we had three counselors present each week for our Girls and a Camp pastor and Home Missionary.

Mrs. Platerlirro and Mrs. Taylor served as Home Missionaries for the week. Camp pastors were Rev. Collings, Rev. Bailey and Rev. Jimmy Hogsed.

The boys weeks were well attended and Rev. Rotan, Rev. Dean and Rev. Fish served as Pastors. Rev. Tony Radyoniuk served as Home Missionary. Counselors were furnished by the Brotherhood Department of the Baptist State Convention.

Words are inadequate to express appreciation to the cooks, Mr. and Mrs. Jack Rogers. These fine people served wonderful food and kept every one happy.

It is said an army is as good as its leader. A camp runs as smoothly and fullfills its objectives according to the Director. Enough cannot be said for Walter Middleton, Camp Director for 1967. Walter did one of the finest works I have witnessed in our Camp this summer. As far as I know I have not heard one word of criticism. Everything has been excellent. In fact many reports came back that "this is the best camp I have attended." All of this is due to the fine leadership of Walter. We are

fortunate to have a man such as Walter to lead our camp. He will also serve as Director for 1968.

George W. Truett Camp is for Region Ten. It is ours to provide training for our young people and children. The success or failure will depend on the support of each church and individual with the Region. Will you join in this ministry as we seek to prepare our own for the future.

25. Christian Education report... by Miss Bernice Boring. Dr. Roger Crook brought greetings from our 7 Baptist Colleges and the concern the colleges have for a Christian education for our young people of today, also the need for our prayers, our money, and our young people.

REPORT ON CHRISTIAN EDUCATION

Miss Borings report...

Southern Baptists now operate 39 Senior colleges, 15 Junior colleges, 7 academies, 4 Bible schools and 6 Seminaries. The American Baptist Theological Seminary is supported jointly with the National Baptist Convention.

In 1966-1967 we had a record enrollment of 102-250. This is approximately 5,520 above the previous year. In the past year the gifts from the Southern Baptist Convention increased 1,247,633 over the previous year.

Each year there are many graduates from these schools going forth in service for Christ. We are grateful that they had the opportunity to be trained in a Christian

school. As Christian leaders and laymen, we need to support both the students and the faculty with our prayers as well as our financial aid.

Reports from the seminaries and schools show ministerial students declined 235 for the year. There was a loss of 103 in Home and Foreign Mission Volunteers, a loss of 101 in Ministers of Education and a gain of 32 in Church Music. Does this not call our attention to the fact that we need to encourage our young people to accept God's call into his service?

When should this encouragement begin? Christian Education does not begin at college level. Rather it begins at the pre-school level. A child does not need to go to a church sponsored school to have a background in basic Christian ideals. This background can be achieved through the local church and at home. The home should be the beginning of Christian education.

Time and condition will result in changes in Baptist supported schools. They must change to meet the needs of our times. One example of a change is found at Fruitland Baptist Bible Institute. In the coming year the school will change from two semesters of sixteen weeks each to three quarters of twelve weeks each.

Let us pray together that our school will provide for the needs of our people today. Let us also pray that our young people will seek an education for the purpose of finding more about life, how to live in our world, and finding God's will for their lives. If this is done, then we can report a great increase in full time church vocations.

27. Children's Homes Report by Mrs. Effie Ledford.

Dr. Waggoner of Children's Homes brought greetings from the Children's Homes and the children there and the possibility of a childrens home closer to the Western Carolina area.

CHILDREN'S HOMES REPORT

Mrs. Ledford's report...

Baptist Children's Homes of N. C., 1967

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. No task is more important than helping a child to grow into healthy, well-adjusted, responsible citizenship. At the Children's Homes we seek to provide the proper atmosphere, encouragement and supervision to assure the development of inborn, God given talents of our children.

This agency offers a variety of quality services to the children of families who have not been able to continue a satisfactory pattern of living together. A total of 33 cottages on five campuses provide group care of different kinds. There are two residences for emotionally disturbed children, convenient to a great medical center where psychiatric services are available. This fall, for the first time, a single cottage at Wallburg is being opened for the rehabilitation of boys.

In addition to group homes, the needs of many children are met through the use of Foster Homes. A growing interest in this phase of our work is encouraging. Many families are finding happiness and opportunity for service in caring for foster children. Thus, many boys and girls who otherwise would not have this opportunity, are privileged to grow up in Christian homes. Should you have an 'extra measure of love' to share in this way the Homes would like to know of your interest.

Regional case work centers, staffed by trained social workers, are located in six prominent areas of the State and add to the ability of the Homes to offer counseling service to distressed families and too those for whom family rehabilitation has been achieved.

In June of 1967 the first of the new family living cottages was completed and is being used by brothers and sisters who can profit by sharing the same home. This building was provided by Mr. and Mrs. William M. York of Greensboro, and is named the York Cottage.

It is a model for the family living approach in group child care. A similar cottage is already under construction at Mills Home and two buildings of this type are now being built on the Kennedy Home campus.

The Child Development Center on the Mills Home Campus was established to serve the local community as a means of strengthening family life and to provide a demonstration and informational program which can offer assistance to churches in beginning any phase of weekday care and education for preschool children. During the 1967-68 session the Center will serve 70 children and their families in two kindergarden groups and nursery school groups, with about 35 children in full day care. The staff is providing consultation service upon request to churches interested in the program.

Members of the Board of Trustees and the Staff of Children's Homes are committed to the task of maintaining a Christian Program of Child Care - a program that will merit the undivided support and loyalty of our people and that will bring favor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

28. Rev. W. D. Graham spoke on the youth crusade for our young people, motion made and passed that we of West Liberty join in with Western Carolina for this crusade.

29. Homes for Aging report... by Hampton Montieth.

HOMES FOR AGING REPORT

Your North Carolina Baptist Homes for the Aging have been on the move during the past year. In fact, we will be ready to move into our new Home at Yanceyville in September and will be able to receive 30 more dear old people into the family of our Homes. When the Yancyville Home, our fifth, is occupied, we will have a total of 200 deserving older men and women in our care in all the Homes.

As you know, we now have four Homes and an Infirmary in operation. Resthaven and the Hayes Home in Winston-Salem; the Albemarle Home at Albemarle; the Hamilton Home at Hamilton.

In these Homes you have an eternal investment and can rejoice in the loving care which you are making possible for our older people. The majority are financially needy persons, and are supplemented through the love gifts of North Carolina Baptists. Two sources of income from the churches are increasingly vital in the support of our residents - the Special Day Offering, received on the 3rd Sunday of February each year, and our share in the Cooperative Program.

The Special Day Offering for 1967 is at an all time high and has increased by 10% over last year. This is most commendable, but when we face the reality of costs, which have advanced by 20%, and the maintenance of a new Home and the care of 30 additional residents at Yanceyville, we could face a real crisis during the next year, unless the gifts from our Baptist people continue to increase in proportion to our needs.

We wish to thank all of our Baptist people across the State who are enabling us to minister to the aging in Christ's name, and we want all of you to know that each of your 5 Homes exist for the people from all over our great State. We could not operate without your love, your prayers, your concern, and your financial support.

In the midst of our joys have been our sorrows. Our oldest resident, Aunt Fannie

Drumwright, passed away in June, just short of her 106th birthday. She came to live with us at the age of 93, and the 13 years of her presence with us have been a shining example of the special significance of a Christian ministry to older people. The compassionate nursing care alone which this little lady received is reason enough to thank God for the people called Baptists, whose vision and concern for mankind have included the aging in answering the Master's call in Service of the Lord.

ANNUITY BOARD REPORT

The new program called the Southern Baptist Protection Program, provides additional benefits for disability, and new benefits for education of children.

The new protection program incorporated the three plans A.B. & C. into one certificate.

In 1966 more than $4,256,244.00 was paid in age retirement disability and widows benefits.

We feel that the West Liberty Association should give this important program more consideration.

In Memoriam

Our hearts have been saddened in the past year by the passing on of some of our beloved brothers and sisters in Christ, we rejoice tho at the thought, we will meet them again, where we sing and rejoice on and on, where there will be no more goodbyes.

When we have seen all the evil in this world, He will permit us to go be with our loved ones. He will say come come on home, where we will enter into perfect peace and rest. May we all stand in a moment of silent prayer in their memory.

35. Evangelism Report. . . by Rev. Fred Satterfield.

REPORT OF EVANGELISM COMMITTEE

This past year the churches of our Association baptized 45 persons. This represents a ratio of one baptism for every 30 members. We are grateful to God for every person who has been brought to confess Jesus Christ as Lord.

We call upon our churches to give themselves to the work that brought Christ from heaven to earth, evangelism. Evangelism is the heart of our churches existence. Evangelism must be a two-pronged thrust. We must publicly proclaim that gospel, that is the power of God unto salvation, and we must personally win others to Christ, 'Every Christian, a Witness' must be more than a slogan, it must be a reality in our lives.

Our churches face a tremendous evangelistic challenge in the Crusade of the Americas. This is more than just a two-week period of revivals. It is an emphasis on evangelism that should occupy our churches throughout 1968-1969 and '70. Our churches have been challenged by one of our mission fields, Brazil, to give ourselves to the work of evangelism and world missions for 1968-69. Some of the challenges in the Crusade of the Americas are:

NATION-WIDE EMPHASIS ON PRAYER:

Two days of prayer, January 14, 1968 and January 12, 1969.

PACT:

A program of 'prayer partners' with individuals, groups, and churches on the "Other Americas" initiated in July-August 1968; Watch Night Prayer Service December 31, 1968.

NATION-WIDE SEARCH FOR PROSPECTS:

May-June-July-August 1968.

NATION-WIDE VISITATION WITNESSING:

September - November 1968.

NATION-WIDE CRUSADE OF THE AMERICAS REVIVALS:

March 16-30... April 6-20... April 37... May 11, 1969

NATION-WIDE EMPHASIS ON NEW MEMBER ORIENTATION:

Following the Crusade of the Americas Revivals. Study of book "Daring Discipleship" and launch new member orientation.

SPECIAL EMPHASIS IN NORTH CAROLINA ON CHRISTIAN MATURITY:

January 1 - December 31, 1970.

Adequate guidance material for cooperation with and in preparation for the Crusade of Americas is provided for us in the 1967-68 Evangelism Plan Book already available to us and in the 1968-69 Evangelism Plan Book which will be available after July of 1968 from the Division of Evangelism, 301 Hillsborough Street, Raleigh, N. C. 27603

36. Missions Committee Report... by Rev. Bill Smith.

REPORT OF MISSIONS COMMITTEE

The Missions Committee of this Association stands ready to work as a servant of the association, and the local churches in an increased mission effort here and abroad.

We made request to the State Convention for financial aid for our Association and received an allotment of $288.00 for the year 1967. Last year the Association decided to participate in a school of missions in September 1969. We should be making plans and getting commitments from churches now.

37. Resolutions by Mrs. Lottie Murphy.

RESOLUTIONS

Resolutions of appreciation to the pastors and churches of the West Liberty Assoc. for their interest and cooperation, to the program committee for a well planned program, to our clerk and all who participated on the program. To Mt. Liberty and Unaka churches for their nice hospitality which has added so much to this annual meeting of the Association.

38. Closing prayer by Rev. John Newman.

NIGHT SESSION

39. The night session was held with Unaka church, the congregation sang "I Love To Tell The Story", led by Mr. Herman Jones.

40. Rev. Raymond Carroll, pastor of Unaka church, read scripture from John 11, bringing a very inspiring message urging each one to respond to the call of God.

Rev. Arthur Dale, pastor of Ranger church, offered prayer.

41. An inspiring message was brought by the Rev. Charles Duncan pastor of First Baptist Church of Copperhill, Tennessee, taking his scripture from 2 Chronicles 17:12 urging each one to respond to the call that we as Christians hear from God. This session was adjourned with prayer led by Rev. Hadley Shields.

THE ASSOCIATIONAL MISSIONARY shall reveal a vital concern for all the work of the association. Much of his work will be in advisory capacity. He shall promote the progress of the denomination. He shall be a servant and not a master. He shall be an ex-officio member of all committees. If they did, they would become subject to the direction and authority of this association. Churches do, however, voluntarily affiliate in fellowship and in cooperation with other churches of this association. This association is made up of individual messengers from the churches affiliated with this association, and their action in sessions of the association in no way binds or obligates the churches. Each Baptist body is always sovereign within itself and never gives or receives directives from another body, although it may seek counsel from other bodies. Therefore, this association does not exclude a church from its fellowship or deal with it as a body for any cause. However, this association does have the authority to determine what churches shall be affiliated with it by reason of its power to seat, or refuse to seat, the messengers from a church not in harmony or fellowship, by doctrine and practice, with this association.

On the invitation of a church, this association may send a committee or committees into a church, for discussion only. If reports of unfaithfulness or disloyalty comes to the knowledge of the association, it may ask the Credentials Committee to inquire and report to the association.

12. Five members shall constitute a quorum for the Executive Committee.

7. Report of Missions Committee by Rev. Bill Smith.

REPORT OF MISSIONS COMMITTEE

The Missions Committee of the West Liberty Association stands ready to work as a servant of the Association, and the local churches in an increased mission effect here and abroad.

There has been some changes in the Association this year. We are working together with both the West Liberty Assoc. and Western North Carolina Association. During this year Bro. Willard Graham retired from West Liberty as Missionary, after much prayer Brother Fred Lunsford was elected to serve both West Liberty and Western North Carolina Assoc. There was also a secretary elected for the Missionary's office, Miss Audera Walker was selected for this work.

We made request to the State Convention for financial aid for West Liberty Association and received an allotment of 2,088.00 for the year of 1968.

We will also with Western North Carolina and West Liberty make plans for the school of Missions in September 1969.

9. Associational Missionary report by Rev. Fred Lunsford. We thank God for his blessings upon us this past year. It has been a great experience for me to have the glorious opportunity of working with the people of the Western Carolina and West Liberty Baptist Associations. We wish to express our sincere thanks to each and every one of you for the cooperation shown to us in this great work. Many have prayed, and many have worked to make it possible for me to make this report. Thank God for each of you, for the great Crusade we had in Murphy with Dr. Eual Lawson and Bill Michael.

The things I do for God, is in reality the people of the Association reaching out in missions. You are the ones that make it possible for me to do them. Here are some of the things we together have done during the past 12 months for the Glory of God.

11. Cooperative Program report by Mrs. W.E. Bates adopted as read.

REPORT ON COOPERATIVE PROGRAM

What the budget is to the local church, the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad -- it's preaching the gospel -- it's healing in the name of Jesus through hospitals and clinics everywhere -- it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as your church channels a worthy part of its income through the Cooperative Program, we enter into partnership with God and one another in obedience to the command, (Go...preach...teach...)

Let us resolve to pray earnestly for all Kingdom work through the Cooperative Program and support our prayers with sacrifical giving of self and substance.

A new Eight Day Stewardship Program will be available from the Stewardship Commission of the Southern Baptist Convention on April 1. It will suggest visitation of every family in the church by the Deacons, prayer by every church member and a Week-end Stewardship Revival. Many of the pilot churches have found this an effective way to increase giving and pledge the church budget.

According to records available our association gave $725.51 during the last year for World Missions through the Cooperative Program.

RECOMMENDATIONS

We recommend:

(1) That each church plan, vigorously promote, and subscribe a worthy budget.

(2) That each church have a special prayer for Cooperative Program causes during church services in October.

(3) That each church give regularly, a worthy percentage of each offering plate dollar through the Cooperative Program.

Respectfully submitted

ASSOCIATIONAL ORGANIZATION REPORTS

Sunday School report by Fred Graham, adopted as read. During the past year we believe some of the churches have had gains in Sunday School.

While others have not, we have had very poor attendance in our quarterly Sunday School meetings. I believe better cooperation from Pastors, Superintendent and other church leaders would have helped, some of the Pastors did cooperate very good, we believe theirs are the churches that had gains. We hope and pray that the new Superintendent will get good cooperation from all the churches.

15. Report on W.M.U. Work - Lois McNabb.

W.M.U. REPORT

An annual Association wide planning meeting was held at Violet church.

None of our executive committee members were able to attend the workshop at Fruitland last fall, however several attended the leadership conference for both Associations at Murphy First Church.

An Associational Mission Study was held at Liberty church under the direction of Mrs. E.G. Altland preceeding the Week of Prayer for Foreign Missions.

This study was well attended. During the Week of Prayer we seem to have had the best participation by our W.M.U. members, as well as the best total Association Lottie Moon offering we have reached. Let us pray our lives W.M.U. members have been also more mission conscious both at home and abroad.

Our annual meeting was held in conjunction with Western Carolina Association as we are becoming a part of this Association. As we look forward may we truly "WITNESS UNTO THE UTTERMOST PART OF THE WORLD"

Respectfully submitted,
Lois McNabb

16. Vacation Bible School report by Mrs. Lottie Murphy.

VACATION BIBLE SCHOOL

A Vacation Bible School in every church is still our goal, but we haven't reached it yet. Though we have had a good increase over the past years. So far we have record of 24 Vacation Bible Schools, there were 1,354 enrolled, 60 professions of faith, 139 rededications, and the mission offering was $438.00, which we thank God for.

We urge every church to work and pray for more and better Vacation Bible Schools next year.

Respectfully submitted,
Mrs. Lottie Murphy

17. Seminary Extension Report by Rev. Fred Lunsford.

SEMINARY EXTENSION REPORT

We had a very fine year in Seminary Extension work in our Associations. We operated three Centers; one in Clay County meeting with the Meadow Grove Church with 12 students enrolled; one at Little Brasstown Church with 33 enrolled; and one at Ranger Church with 22 enrolled. We had a great time in the Lord as we studied together to better prepare ourselves to be used of Him in our churches.

All Centers will open again this year. The Cherokee County Center will open on Tuesday evening September 17, 7:00. It will be meeting this year with Little Brasstown Baptist Church. The courses being offered this year will be announced later. The Clay County Center will open on Thursday evening September 19, at 7:00 with the Shiloh Baptist Church. Courses being offered in Clay County Center will be: New Testament 122. The details of the West Liberty Center will be announced later.

Every Baptist Member in these Associations should take advantage of this opportunity of "Studying to show himself approved unto God a workman"

Seminary Extension work means much to our area. I would never be able to tell how much it has meant to me over the years.

Respectfully submitted,
Fred Lunsford

19. George W. Truett Camp Report by Rev. Fred Lunsford.

GEORGE W. TRUETT CAMP REPORT

The 1968 camping season was another successful year. Attendance was not as high as in 1967, but there was an excellent spirit and much was accomplished for the glory of our Lord.

The Truett Camp Committee expresses its deep appreciation to those serving on the camp staff. The Committee gives a special vote of thanks to Mr. James Roper, Camp Director, and Mr. and Mrs. Jack Rogers the Camp Dietitians.

The Development Program is still in progress under the direction of Rev. Robert Clegg of Sylva. However, it has slowed considerably, because of the lack of sufficient funds. The Baptist State Convention has agreed to assist in this development by contributing 50% of the cost. The churches of Region 10 must match this with the other 50%. The Truett Camp Committee of Region 10 urgently asks the churches to contribute at least $35.00 per year, per church for the next four years. This will provide the funds needed to construct facilities for about 75-100 campers and counselors. This is an excellent opportunity for the churches of Region 10 to extend a vital and lasting ministry to our youth of our area.

Part of the development program will be started this fall. The Committee hopes to erect two new heated cabins, they will each house about 12 campers and two counselors. Eventually, the committee hopes to have six of these cabins.

A new swimming pool is also in the planning stage.

There are churches and individuals across Region 10 who could and should erect one of these cabins. To these churches, or individuals, we will extend special privileges for using these facilities.

All of these things will cost money. But if the churches give as suggested above, money will not be a problem. Some churches can, and should, give more than $35.00

per year. The Camp Committee believes that Truett Camp has great potential for teaching Christ in our area. They also believe that the witness it will bear to, and through, the youth of Region 10 makes all the expense and effort very worthwhile.

George W. Truett Camp is for Region 10. It is ours to provide training for our young people and children. It's success or failure will depend on the support of each church and individual in the Region.

You join us in this Ministry for Christ as we seek to prepare tomorrow's leaders today.

Respectfully submitted,
Jesse Bailey, Committe Chairman

23. Scripture and prayer was offered by Rev. Kimsey Linder pastor of Macedonia church, reading from John 21:15.

24. Baptist Foundation Report by Gordon Maddrey, stressing the importance of making a will, and giving to the Baptist Foundation of North Carolina.

25. Baptist Hospital report by Vernon T. Herron.

BAPTIST HOSPITAL REPORT

This is a full year at your Baptist Hospital with more than thirty thousand sick people being given medical service and Christian ministry, and more than 165,000 visits being made to the clinics of the hospital. In addition to this, more than 700 persons are receiving training in the various fields of medical care and Christian service, and a vast amount of medical research is being done in the causes and treatments of the diseases which afflict us and our loved ones.

The Development Program, which is greatly to increase the capacity of the Medical Center to train and to serve, is progressing on schedule. The new power plant is scheduled to go into operation in October. The paramedical school building is due to be ready by next April. It will provide the best in teaching facilities and make it possible to double the capacity of our nine schools and to add new schools. The Medical School addition is to be ready by September 1969, and will allow that school to enlarge by 35%. Contracts are due to be let in October for the new patient building, which is to be completed in 1971. This building and the remodeling of the oldest part of the present plant will provide more than 200 new patients beds and greatly enlarge space and facilities for offices and for examinations and treatment of patients.

The cost of this Development Program is to be provided by interested individuals, corporations, foundations, and goverment agencies, which recognize the valuable service our Medical Center is rendering and the urgent need for greatly enlarging these services.

But this is a very difficult year financially, and our hospital has been forced to make important changes in its financial policies. In the face of the mounting costs and the increasing needs of our people, the hospital has been struggling with a

growing deficit. We have been told this for several years now, but the gap has continued to increase between the cost of free service and the money we have provided for this service. The amount of the free service now will have to be governed by the amount of the Mother's Day Fund. In view of this, financial arrangements must be made before a patient is admitted to the hospital, except in case of emergency. There will have to be a plan, including any insurance, for paying the estimated hospital bill, before the patient is discharged, unless the patient has been certified by his county welfare department or some other agency. The Mother's Day Fund will be used, as it has been, to pay the difference between the amount paid by the certifying agency and the total cost of caring for the patient.

Active North Carolina Baptist ministers will be given a 25% discount, and beyond this they will be charged the same as other patients. If they come through the clinic as service patients, they will be eligible for Mother's Day assistance if there is real need and other funds are not available.

The great concern at our Baptist Hospital is for our Service Patients who must have financial assistance if they get the specialized care they need. But the hospital has come to the point that it cannot continue to operate without money to cover the cost of caring for the patients it serves. In view of these circumstances, we believe the great majority of our pastors and our people will understand these changes and give their full cooperation. The Mother's Day Offering will need to be increased greatly if our hospital is to fulfill its mission to our people who need it. We want to assure our hospital that it can depend upon us in full measure.

Respectfully submitted,
Vernon T. Herron

Chaplain Charles Wilson, brought greetings from Dr. McGee the Baptist Hospital of North Carolina.

26. Mr. Ted Williams from the Childrens Homes made a report on the Childrens Home being constructed in Western Carolina, also asking each church member to subscribe to "Charity and Children" -- and "Biblical Recorder," inviting every one to visit any of the Childrens Homes.

Baptist Childrens Home report by Mrs. Effie Ledford.

CHILDREN'S HOME

North Carolina Baptists and other friends of the Childrens Homes are making possible a Christian way of life for hundreds of boys and girls who otherwise would be denied many of life's best opportunities. More than 1,300 children were assisted in some type of service during the past year.

All associated with the Children's Homes are deeply grateful for every type of support. Co-operative Program income through the churches is increasingly important. Last year's Thanksgiving offering is the largest ever - now approaching $325,000. Special gifts, bequests through wills and estate planning provide much needed income and wonderful opportunities to invest in the lives of children and young people.

Encouraging progress is being made in the capital funds campaign to build a home for children in Western North Carolina to be located in Haywood County between Waynesville and Clyde. It is hoped that construction can begin in early 1969. The Western Home, in addition to providing group care, will strengthen families in the Western area.

Four family style cottages have been constructed and dedicated during the past year - two at Mills Home and two at Kennedy Home. Two additional cottages will be constructed at Mills Home during the coming year. Funds for these buildings have come from bequests through estate planning by friends of neglected and dependent children.

The number of good Christian homes for the care of foster children is growing. More are needed in all sections of the state. Foster homes serve children of all ages and are particularly helpful for some who have special needs. Couples with or without children of their own, who have an abundance of love, find this to be a challenging and rewarding opportunity for Christian service.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyality and support of our people and that will be worthy the blessings of our Lord. We covenant with you to face the future as we have the past; to offer Christian nurture to children in distress in the name of Christ our Savior and Lord.

Respectfully submitted,
Mrs. Effie Ledford.

27. William A. Poole, Superintendent of North Carolina Baptist Homes for the Aging, thanking each one for the gifts and the concern of the Baptist people of Western North Carolina, stressing the need for more funds for caring for the elderly people, since so many are depending on us as God's people to supply their needs, helping them feel loved and wanted.

Home for Aging report by Mr. Hamptin Montieth.

HOME FOR AGING REPORT

The past year in your Baptist Homes for the Aging has been one of the most eventful in the history of the Homes. Of primary significance was the opening of the Yanceyville Home on November 1, 1967, and dedicatory services on April 25, 1968, with Governor Dan K. Moore as the principal speaker.

When the Yanceyville Home, accomodating 31 residents, is filled to capacity, the number living in all of our Homes will reach 200. Residents at Yanceyville, Resthaven, the Hayes Home, the Hamilton Home and the Infirmary constitute a large and ever-growing family of elderly people who receive compassionate and tender care.

The waiting list for admission to one of our five Homes continues to grow, but has been revised and is a bit more realistic than ever before. The opening of the Yanceyville Home has relieved the pressure greatly on this waiting list, and persons are encouraged to make application from the various sections of our state.

Baptist of North Carolina can be grateful for their record in ministering to the residents in their five Homes for the Aging. Recent reports reveal that our Baptist Homes for the Aging are giving more financial assistance to their needy aging than any other denominational Home in North Carolina. About 85% of the residents ministered unto received assistance through the love gifts of North Carolina Baptist. These love gifts from our Baptist churches come from two main sources; (1) The Special Day Offering, received on the 3rd Sunday of February each year, from which the Homes derive 22 1/2% of their total support; (2) The Cooperative Program from which we receive 12 1/2% of total income. Gifts for 1967 through two sources were at an all time high and amounted to around $200,000.00. The 1968 Special Day Offering at this time, is reflecting an encouraging increase. Unless these two vital

sources of income are increased considerably, your Baptist Homes cannot be maintained, either on the basis of quality of care, or quanity.

More than in any previous years the ministry of the Homes has been extended beyond the day to day care of the residents to our local churches and communities. Experiences have been shared in more than one Association, in World Mission Conferences, Family Life Conference, High School classes in Family Living, ect.

Life among the residents in the Homes is most interesting, and if one wonders about activity among those whose age is 80, let him come and see. Let everyone who is contributing to this great area of human need be grateful to the Lord to be a part of a great denomination that has had the vision to plan for the aging, and is moving forward in meeting the needs of this very deserving group.

Respectfully submitted,
Hampton Montieth

These our brothers and sisters in Christ who have gone on, have to hope no more, but just share in that glory.

They are delivered from the bondage of corruption, into the glorious liberty of the children of God.

37. Evangelism Report by Rev. Fred Satterfield.

EVANGELISM REPORT

This past year the churches of our Association Baptized 43 persons.

The first great responsibility of Baptists today is to proclaim the message of he Gospel clearly, plainly and under the empowering of the Holy Spirit. The second s to see that the new life and purpose of God found in Christ is in the forground of ll our motives, attitudes and actions in personal cultural and organizational life nd that this involves us in helping meet the needs of all people. To express the ame things another way is to say evangelism is our first responsibility and the econd is to follow our Lord Jesus Christ obediently, as taught in the Scriptures, iat the true fruits of evangelism may issue from our total lives. Therefore, it must e of utmost concern to every Spirit-filled Baptist to know there is a reliable source f divine knowledge found in the Bible to preach the Gospel of Christ one must know 'hat the Gospel is, and this God has revealed and written for us in the Bible.

To move with God this year and next in the Crusade of the Americas means iat we must be diligent in searching the Scriptures and proclaiming the glorious ospel of Christ revealed therein; and that we must walk daily with God in the ellowship of prayer. Leaders in the churches must make sure these two most vital iatters are constantly practiced in their lives and that these matters are always ept before the people in the church. This done faithfully and sincerely day by day cross the weeks and months will bring individuals and churches into vital relationhip with God.

It is urgently important that every church be confronted with the opportunity and esponsibility of participation with other Baptists across the Western hemisphere i prayerful concern for a spiritual awakening to be experienced in the simultaneous evival meetings next spring. Messengers of this Association are therefore urged o see that every church rightly faces this challenge. For details on the Crusade onsult the GUIDEBOOK FOR BAPTIST OF NORTH CAROLINA which has been mailed o all pastors, Sunday School Superintendents, Training Union Directors, WMU Presients, and Brotherhood Presidents.

HISTORIANS REPORT

The first Baptist Mission to be established in this section of the state was founde by the Baptist Church of Philadelphia. It was placed in charge of Rev. Evans Jones who translated the New Testament into the Cherokee language. About 1820, Rev Humphery Posey was appointed by the Mission Board of Philadelphia to take charge This Mission was located on what is known as the Mission Farm and was th beginning of Baptist Christian work in this section under the missionary endeavor of the Rev. Humphery Posey.

The first association to be organized in this section of the country was the Valley River Association. It was constituted in 1839 of churches from Swain, Graham and Cherokee Counties. The three churches from Cherokee County were Murphy, Valley River and Valley Town. The Murphy church was granted a letter of dismission in 1871. (Minutes of Valley River Association, 1871.) James Whitaker, Sr. was elected moderator of this association for the years 1862-63. (Memoir of James Whitaker, Sr.)

A. Ammons served as Moderator of the Valley River Association from 1870 to 1874 and James Whitaker, Jr. served as clerk in 1870-1871. J.M. Thomasson served as clerk in 1874. (Minutes of the Valley River Association 1870, 1871, 1874.)

May I pause here a moment to pay tribute to these pioneer leaders. We can be justly proud of men like James Whitaker, Humphery Posey, Elisha Hedden, Alfred Corn, James and Elisha Kimsey, (Grandfather and great uncle of George W. Truett) and of a later period, Dr. George W. Truett, Ford McConnell, John T. Plotte and A.B. Smith. No man ever held the banner of Christ higher than these pioneer preachers of our mountain country. The candle they lighted still burns brightly and I am persuaded that darkness shall never put it out. These men preached the gospel so powerfully and so convincingly that their influence was felt in much of Western North Carolina and North Georgia, and as a result of their faith and zeal, a Baptist Church was organized in every town and village and almost every rural community in this section.

The Western North Carolina Baptist Association was organized in the Tusquittee Church in 1884. It was constituted of some 12 to 15 churches from the Hiawassee, Notla River, West Liberty, and Valley River Associations. In the 1897 minutes of the Western North Carolina Baptist Association, meeting with the Hangingdog, Baptist Church, churches as follows are listed: Peachtree, Marble Springs, Valley River, Hangingdog, Mt. Pisgah, Hayesville, Nantahala, Bethesda, Little Brasstown, Fires Creek, Tusquittee, Shiloh, Mt. Pleasant, Bethel, Bellview, Pine Log, Red Marble, Philadelphia and Martins Creek.

The fiftieth of "Jubilee" session of the Western North Carolina Baptist Association was held with the Tusquittee Baptist Church August 21, 22, 1934.

Our association is now composed of 50 churches, 31 of these from Cherokee County, 17 from Clay, 1 from Macon and 1 from Swain.

The first organized associational missionary work was begun in Western North Carolina Association during the year of 1943, when the Association called Rev. Lane Akins to give half-time to the Associational missionary work in cooperation with the churches in a program of enlistment, training, promoting, praying and evangelizing. During the first year in this new field of work, 12 Vacation Bible Schools were held, 3 study courses were taught and the worker assisted in all phases of church and denominational work. In 1945, Rev. Akins was called as chaplain by our military forces.

Miss Mildred Whitfield was called to succeed Rev. Akins and gave freely of her time and talent to the service of the Master during her stay. Miss Ruth Bagwell followed Miss Whitfield and held Bible Schools in more than 35 churches in the association during her first year. She was succeeded by Rev. A.G. Brooks in 1952. Rev. G.E. Scruggs was called in 1953. The missionary program has grown by leaps and bounds. Rev. Scruggs and family have given unlimited time to the program and great progress has been made in various phases of church and associational work.

A home was completed for the associational worker in 1954 at a cost of $4,577.00.

According to the 1897 minutes of this association, the churches paid a total of $400.00 to pastor's salaries. In 1956 - $38,064.00.

Paid to orphanage in 1897 - $16.25. In 1956 - $2,693.00.

Total amount for missions in 1897 - $100.16. In 1956 - $22,740.00.

There were nine ordained ministers in the association in 1897. There were 67 in 1956. Baptisms in 1897 - 63; in 1956 - 150.

We have no record available of the early moderators and clerks of the association. Rev. John T. Plotte was in the organization of the Western North Carolina Association in the Tusquittee Church in 1884 and attended every session of the association and served as moderator of that body from 1893 until his death in 1918, a period of 25 years. Other moderators were as follows: Rev. C.F. Martin, Rev. C.F. Rogers, Rev. W.F. Sinclair, Rev. J.L. Underwood, Rev. Robert Barker, Rev. Paul Lovingood, Rev. Algie West, Peyton Ivie, Rev. A.B. Lovell, Rev. J. Alton Morris and Lloyd Hendrix.

The later clerks of the association were as follows: George W. Kimsey, J.H. Harwood, George F. Hendrix, Rev. T.L. Sasser, W.A. West, Clarence Hendrix, Charles Carringer, Rev. Lester Stowe, Frank Walsh and Marvin Hampton.

This report should be a challenge to our people today to go into God's vineyard to work. "Lift up your eyes, and look on the fields; for they are white already to harvest."

Mrs. Clarence Hendrix

The above History was printed in the 1957 W.N.C. Baptist Assoc. minutes. Twelve years have brought about many happenings to this Association. Brother Scruggs moved away and Brother J.G. Miller replaced him as missionary for two years. In 1960, Rev. Elmer Greene took up this post and served faithfully until his untimely death in Feb., 1964. Brother Greene will long be remembered for the great work he did for the Lord in Western North Carolina. Rev. Fred Lunsford was called by the Association in 1964 to serve as missionary and is still serving in this capacity. Rev. Lunsford was instrumental in the work of combining the West Liberty and W.N.C. Baptist Associations into the Truett Association which will become effective in

August, 1970. The Association has set up an office in Murphy and employs a pa time secretary. Last year (1968), the Missionary drove some 23,000 miles to preach teach, attend meetings, conferences and revivals and the office handled some 9,00 pieces of mail. This alone will verify the fact that the Association has progresse much in the past several years.

Looking back through the years since 1957, we find these people serving a clerks of the Association: Marvin Hampton, Lester Stowe, Clarence Hendrix, Dori Raxter, Hoyt Lunsford, Lenora Martin, and Betty Ingram. Those who have served a moderators are: Lloyd Hendrix, Marvin Hampton, Fred Lunsford, Jimmy Rogers, Thoma Christmas, Jesse Bailey, and J.W. Bargiol.

With sadness, we mention a few of those who have passed on who meant so muc to the work of the Lord in this association. Among these are J. Alton Morris, Ton Truett, L.P. Smith, R.C. Shearin, and Elmer Greene.

One of our mountain ministers, Rev. Don Turner who served as pastor of Truet Memorial Church in Hayesville for a number of years, is now serving as a foreig missionary to Brazil. Don's going from us to be a missionary recalls to us the mes sage God gave us when he said, "Go ye therefore and teach all nations, baptizin them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you; and, lo, I am with you alway, even unto the end of the world." Surely God has been with us here in the W.N.C and West Liberty Baptist Associations in a very special way.

OF THE SOUTHERN BAPTIST CONVENTION

1969 Associational Report

INFLATIONARY TREND CONTINUES

During 1968, neither inflation nor the economy showed any evidence of a slo down. Even as late as the second quarter of 1969, there was no sign of a levelin off by the inflationary trend. The cost of living rose 4.7% pushing the Consumer Pric Index to a record 123.7 in Dec., 1968. This was the greatest increase since 195

This inflationary trend continued to affect the buying power of every one, includ ing the retired.

To meet the needs of retiring ministers, church staff members and denomina tional employees, the Annuity Board has developed the Southern Baptist Protectio Program to provide an adequate retirement income. As the inflationary trend con tinues, many churches and agencies are upgrading their retirement programs b contributing 10% of total salary. The Annuity Board and state conventions heartil recommend this action.

Response to the three-plan Protection Program was good during 1968. The Progra includes: Plan "A," the basic retirement fund; Plan "B," the supplementary fund and Plan "C," the variable fund. Response was also good in the Life and Healt Benefit Plans.

HIGHLIGHTS OF 1968

1. 3,451 new members in the Southern Baptist Protection Program
2. 23,714 members now participating in Plan "A," 1,538 more than in 196
3. 18,086 churches providing protection for their pastors
4. 145 agencies providing protection for 9,894 employes

5. $173,863 given in relief grants
6. $6,543,169 paid in total relief and protection benefits
7. 3,106 applications for Health Benefit Plan, 1,677 net gain
8. 790 applications for Life Benefit Plan, 134 net gain

THIRD YEAR FOR "13TH CHECK"

For the third consecutive year, the Annuity Board issued a "13th check" to all recipients of life retirement benefits. The extra check, amounting to 12% of each person's annual benefit, was made possible by interest earnings in excess of the amount necessary to pay the retirement benefits. The excess earnings are distributed to plans of active members as well as to retired persons.

Information about the Protection Program and the Life and Health Benefit Plans can be obtained from your state Baptist Building or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

W.N.C. and West Liberty Assn. had March 31, 1969 - 10 churches enrolled in the Protection Program.

ASSOCIATIONAL FOUNDATION REPORT FOR 1969

The assets of The North Carolina Baptist Foundation, Inc. have now reache beyond the one million dollar (1,000,000) mark, including trust funds and real estate Since the reactivation of the foundation, around 1962, the total assets have increase from $350,000 to the present excess of slightly over one million. This is positive proof that the Baptist of North Carolina have discovered that the Foundation is really a SERVICE arm of the Baptist Convention of North Carolina.

As mentioned above, the Foundation renders a service to: (1) God, (2) individual Baptists, and (3) Baptist agencies and institutions. Every Baptist has an opportunity through his Foundation to provide for continuing stewardship in the agencies an institutions in which he has an interest.

The Foundation has again this year put particular interest upon the making of ills. Several of our churches have used the facilities of the Foundation to conduct ill Clinics and reports from these clinics indicate that they were most successful. e have also had an opportunity to counsel with many people concerning their own ills, and in some instances we have provided the information and direction necessary r inclusion of Baptist causes in their will.

We have had a most successful year and can attest to the fact that the Foundation on the move and is rendering service to individual Baptists in a most concrete ay.

BAPTIST HOSPITAL REPORT

We are grateful to God for the work that is being done at our State Baptist Hospital n Winston Salem in training Doctors, Nurses, and Technicians. Also for the great nedical service that is being rendered to thousands of people in our state and eighboring states. We believe that this is one of the best ways of carrying out esus command "to love thy neighbor as thyself" as we give to the Mother's Day ffering.

All of us realize that modern medicine is very expensive. Few people of modest neans can take care of their medical expenses without the help of insurance, Medi- are and free charities. Our pastors are proving very helpful in learning and giving eeded information to people who are being referred to the Baptist Hospital by their ocal doctor.

The State Superintendent of Public Welfare is speaking to Pastors Conferences roughout the state to make sure they know about all the help available for cancer ictims, crippled children, vocational rehabilitation, the blind, premature baby care, nd many other helps through welfare agencies. Let's use this help and be informed.

State-Wide, the Mother's Day Offering was much better, but in our own area much ess. However, we trust that it will improve as each church gets in her offering.

Respectfully submitted,
Mrs. Lloyd W. Hendrix

BROTHERHOOD REPORT

The associational Brotherhood would like to see every church have Brotherhood ork in it. Under the new system you can have a Brotherhood if you have Baptist len, Baptist Young Men, or Royal Ambassadors work.

The Brotherhood Department helped conduct a workshop in Marble Springs Baptist hurch in October and it was very helpful.

If any church would like Brotherhood work we would be happy to help you in any ay.

We are looking forward for a better year than we have ever had. Please pray tha the work will go forward.

A Report To The Western North Carolina-West Liberty Associations on:

BROYHILL HOME FOR CHILDREN

Waynesville-Clyde, N.C.

The dream to establish a home for Children in Western North Carolina is becoming a reality. A ground breaking ceremony was held on the site, April 26, 1969. Construction on the first two cottages is expected to begin soon.

Encouraging support is being given the Campaign to secure $634,000.00 to build this home. Gifts have been received from many persons, institutions, Sunday School Classes, groups, and churches. The last report shows $445,609.63 has been made in pledges and cash. The wonderful way the people of Western North Carolina are giving shows the keen interest they have in providing a Child Care Center in our area of the state.

We are grateful for the contributions from individual people, churches, classes and industries in Cherokee and Clay Counties. The pledges and cash continue to come in from over this area. We are glad to report $33,460.45 has been received.

In order to complete all the buildings planned, over $185,000.00 more is needed. The invitation to have a part in this effort must be continued. Though good progress is being made, we should keep up the emphasis.

Many people are becoming interested in the Memorial Gift plan of giving. Under this plan a gift may be made to furnish a room, a cottage, or to buy some equipment in honor of a relative or friend. An entire cottage may be furnished for $12,500.00, a bedroom for $600. A water cooler may be purchased for $125.00. These are only some of the things that may be furnished. Further information will be given upon request.

Jesus said, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto Me." Matthew 25:40. The Broyhill Home is a fine opportunity for us to provide the Christian care needed by many children in our section of the state.

Either Mrs. John Dickey of Murphy, N.C. or Tom Wells of Andrews, N.C., Co-Chairmen for the Broyhill Children's Home of Waynesville, will be glad to provide assistance to anyone who requests it.

Respectfully submitted,
Thomas V. Wells

BAPTIST CHILDREN'S HOMES REPORT

Among church supported agencies, North Carolina Baptists are fortunate to have one of the finest programs in the nation for the care and development of dependent children and for strengthening and supporting family life. This is an application of the teaching and example of Christ in His earthly ministry. More than 1,200 Children and their families are served annually.

The Children's Homes, through a variety of quality services, is recognized as a family service agency. This is made possible by well trained and professional staff who provide leadership for group care programs, foster home care, family services, consultation with churches in preschool programs and planning for higher education of children who have been in care. This program unfolds on six campuses and through the work of regional casework centers throughout the state.

More requests for services are now coming to the Baptist Children's Homes than at any time in our previous history. All agency beds are filled and all available money is being utilized. We, too, have been caught in the rising costs of living and in an inflationary economy. A wider variety of quality services are being demanded to meet the needs of children who are the products of today's complex society. Present economic conditions make it necessary to have additional operating income with which to maintain the current program before any further expansion of services can be considered.

Friends of the Children's Homes, in Western North Carolina, have responded generously to the Founders and Builders Program to raise funds with which to establish the Broyhill Home to serve children in Western North Carolina. Sufficient funds have been given and pledged to purchase the land, to prepare the site and to construct the first two cottages for children. When the campus has been completed provisions will have been made for four cottages for children, a multi-purpose administration and activities building and a home for the superintendent. With the support and cooperation of Baptists and other friends of the Homes another ministry is being developed in Asheville. A home in which to serve unwed mothers and their offspring will be opened during the fall of 1969.

By the use of designated gifts and bequests from individuals and families, significant progress is being made in the long-range plans for upgrading of facilities. Two cottages are now under construction at Mills Home. A recreation building and an infirmary at Kennedy Home and two cottages for children at the Broyhill Home are scheduled for construction next year.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

Bergan Moore

CHRISTIAN SOCIAL ACTION REPORT

In our world of ever changing times we are faced with the same old evil again this year. The problem of alcohol. This year state-wide we were faced with the liquor by the drink issue. We must praise God and take pride in the way Baptists, and more important individual Baptists, took their stand for Christ and spoke out against this evil. We of this committee and the pastors of the W.N.C. and West Liberty Associations wish to take this opportunity in commending J. Marse Grant for the effort he has made this year on behalf of the young people of this state. Here is a fine example for all Christians. As children of the Kingdom of God we should all stand ready to combat evil as it shows itself in our social lives. Then and only then, can we have stronger churches, a better community, and a better world in which to live and witness for Christ.

Respectfully submitted,
Rev. Clayton Raxter

CHRISTIAN EDUCATION REPORT

North Carolina Baptists now have a university, four senior colleges, and two ior colleges: Wake Forest University, Campbell Senior College, Mars Hill Senior llege, Meredith Senior College, Gardner Webb Senior College, Chowan Junior llege, and Wingate Junior College.

There are currently enrolled in all North Carolina Baptist colleges approximately 000 students.

In these institutions there are more than 500 young men and women preparing for l-time Christian service. This includes those preparing for the gospel ministry, be missionaries, educational directors, directors of church music, Christian college chers, chaplains, and denominational workers.

The North Carolina Baptist college curricula provide courses in the study of Bible, urch History, and related subjects which give students new insights and commit- nts to the Christian Faith.

All colleges have regularly scheduled chapel services which provide an opportunity worship, meditation, prayer, music and preaching. Baptist colleges are not only ncerned with training the Christian vocational worker, but they are concerned with ching and training churchmen who will take Christian views into any vocation which y enter.

The Cooperative Program is the Baptist college lifeline. The Baptist College Day ering has become another significant means of financial support, and each church urged to participate.

Miss Bernice Boring

CHRISTIAN LITERATURE REPORT

This is the age of education. One of the prime tools of good education is good erature.

The Bible should always come first in the Christian home as the best literature. is a heavenly library composed of sixty-six books in one. It is the true word of d, and it is without error in its content.

No Baptist home should be without the Biblical Recorder and Charity and Children. ey give us information about our Baptist work and progress in our state.

It is the obligation of each father and mother to see that their children are supplied h the best literature that money can buy. Dr. Talmadge, the great Presbyterian acher said "the only way to overcome the influence of bad books is by the constant ociation with good books."

When the word stewardship is used most of us begin to see dollar signs $$! If we k of stewardship only in terms of money we miss the mark in our concepts.

Stewardship means RESPONSIBILITY--responsibility in all areas of life. We a stewards or trustees of our time, our talents and our abilities. The Christian attitu is that we are responsible beings and must one day give account to our Maker for a that God provides.

The worship of God with tithes and offerings through our churches provides a wa for expressing our gratitude for His blessings.

Those of us who are privileged to leadership are dedicated to teaching and trai ing in the Biblical doctrine of stewardship.

Materials for informing our people are produced and distributed by the Departme of Stewardship Development. R.T. Greene is Secretary and Mrs. Susan Cochrane office secretary.

EVANGELISM REPORT

In July, 1968 an area-wide revival was conducted with services held under a te at Murphy with Dr. Eual Lawson of the Home Mission Board as the evangelist. T results were very pleasing and spiritually strengthening to the whole area. The were 70 decisions of all kinds with 21 professions of faith.

Based on information available, during the past year 35 churches have had revival at some time during the year. 15 churches participated in the Crusade of the Americ Revival in the spring of 1969. There have been a total of 218 baptisms reported f the past church year.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Never before have your Baptist Homes for the Aging been more conscious of the ord's Presence and of His Goodness than during the past year. At a time when the conomy of the Homes was at its lowest ebb, with a sizeable deficit looming larger y the moment, when the weather was at its severest on the 3rd Sunday of February, he day of the Special Offering, the churches came through with an offering that romises, at this point, to be the greatest in the Homes' history. The Lord, who is n charge of the weather and in charge of the Baptist Homes for the Aging, has surely ewarded our faith and moved upon our Baptist people to see the urgency of our needs, nd we are grateful.

Ours shall continue to be a relationship of trust in the Lord and faith in our Baptist eople. We earnestly hope that a continued and sustained effort will be made by our hurches to increase and strengthen the amount of the two main means of support or our ministry to the Aging--the Special Offering, and the Cooperative Program. Through these two sources, one-third of the total income for the Homes is derived,

and 85% of the residents, who are financially dependent, are cared for and suppl mented. If we are to continue to assist these many needy persons, and if we are reduce the deficit in the operation of the Homes, brought about by the rising cost living, we must have more liberal support from our churches.

We do not believe that our Baptist people would want to curtail any of the vi ministries of the Homes and that they will respond to this urgent appeal.

Since last year, the Yanceyville Home, our newest Home, has been filled capacity, and we now have almost 200 deserving older men and women living in c midst there and in our other four Homes--Resthaven, and Hayes Home, in Winsto Salem, the Albemarle Home, in Albemarle, and the Hamilton Home, in Hamiltc These wonderful people are finding much happiness in Christian companionship wi persons of their age group, and great security in knowing that they will be loved a cared for in sickness as well as in health.

It is a deeply rewarding experience to see the light and joy of Christ on an old person's face and to hear words of deep appreciation almost daily for the Christi love and nurture that North Carolina Baptists are making possible through this mi istry. We believe, therefore, that our Baptist people will want to have an ever-i creasing part in so worthy a labor of love in the Master's Name. We know that t Lord will not fail us, and we also believe that our people will want to be as faithf as possible.

Mrs. J.J. Hamilton

MISSIONS COMMITTEE

The Missions Committee met the necessary amount of times to take care of the ork given to us.

We supervised the work of our Association when needed and made application to he Baptist State Convention for aid to our budget.

Please be much in prayer for the Mission outreach on the Associational. We must e concerned about our work here at home as well as around the world.

We recommend that all churches observe Week of Prayer for Associational Missions, August 25-31.

Plans are complete for the World Missions Conference September 7-14. We now ave 25 churches participating. We had hoped for 30. There is still time for others o come in.

There is a need for money from the churches to finance this program.

Will you please pray that God will move in a great way as the 15 Missionaries ome to be with us for these days.

Respectfully submitted,
Richard Powers

RADIO COMMITTEE

Radio work for our Lord is a great ministry. The Radio Committee would like to thank each Minister and Church who took a part in the Radio Ministry in the past year, by being on the Tri-State Baptist Hour on radio station WCVP. The cooperation has been fine from all who have been involved.

In this report, we would like to express our deep appreciation to the management and staff of radio station WCVP for making it possible for us to have this time over their station free of charge, as well as other Religious Broadcasts such as the Southern Baptist Hour, Master Control, the Sunday School Lesson, Billy Graham's Hour of Decision, and other good programs.

Thanks to Radio Station WKRK and Rev. Woodrow Flynn for making possible the program each Sunday Morning at 8:00 called "Encounter" by Dr. Stephen Olford of New York City, this is a very fine program.

If any pastor or church would like to be added to the list for time on the Tri-State Baptist Hour each Sunday morning at 8:30 over WCVP, please send your name,

address, and the name of your church to: Fred Lunsford, Rt. #1, Box 12, Marble, N.
Let me ask each one to pray for this work.

Respectfully submitted,
Fred Lunsford, Chairman

SEMINARY EXTENSION REPORT

We had a very fine year in Seminary Extension work in our Associations. W operated four Centers; one in Clay County meeting with the Shiloh Church, one Little Brasstown Church, one at Unaka Church, and one at Ranger Church. We ha a great time in the Lord as we studied together to better prepare ourselves to be use of God in our churches.

Beginning in September we will open the Clay County Center, at Truett Memori Church, the Cherokee County Center at Valley River Church, and a Preachers Schoo at the Notla Church. Seminary Extension credit and Fruitland credit will be given fo this course. Rev. Woodrow Flynn will teach. All preachers who possibly can shoul take advantage of this opportunity. The details of the West Liberty Center will b announced later.

Every Baptist Member in these Associations will have the golden opportunity o "Studying to show himself approved unto God a workman---"

Seminary Extension can do wonders for us if we will let it. Thanks to the N.C Baptist State Convention, the Home Mission Board, and our Seminaries for making this training opportunity available to us.

Respectfully submitted,
Fred Lunsford

SUNDAY SCHOOL REPORT

Sunday School is the largest single organization in our churches. Therefore, w have the privilege of being able to reach many people, as we obey the command o Christ that we be His witnesses.

Your Assn. Sunday School Superintendent attended the State Briefing Meeting a High Point. Much information was gained at this meeting.

Action Night was held at Old Shooting Creek in September. A great time in th Lord was enjoyed by the many that attended. The theme was on the Crusade of th Americas. A film and a record on what part the Sunday School should have in prepa ration for this great undertaking was presented.

A well attended Vacation Bible School Clinic was held at the Murphy First Church. There were department meetings and a new class added this year, a secretaries class with our Assn. Missionary Fred Lunsford conducting it.

Thus far we have received reports from 19 churches which have held Vacation Bible Schools this year. The churches reporting are: Andrews First, Boiling Springs, Downings Creek, Friendship, Hanging Dog, Little Brasstown, Macedonia, Marble, Meadow Grove, Mt. Carmel, Mt. Pisgah, Notla, Owl Creek, Old Shooting Creek, Peachtree Memorial, Ranger, Truett Memorial, Vengeance Creek, and Violet.

In these schools there were 1,340 enrolled with an average attendance of 963, 3 Professions of faith, 75 dedications and $409.89 mission offering.

The following churches had Standard Vacation Bible Schools this year: Mt. Pisgah nd Truett Memorial.

I am thankful for the opportunity and privilege of serving Christ as your Asso-iational Sunday School Superintendent this past year.

Respectfully submitted,
Kermit Kilpatrick

CHURCH TRAINING REPORT

This has been a difficult year in the Church Training Department of our Asso-ciation. Both the Director and Associate Director moved away leaving the load on he Superintendent of Missions. But it was a good year.

Special Projects engaged in include: State Briefing Meeting, State Junior Memory Work Tournament, Central Training School held in Andrews and taught by State Leaders.

We had 1 church represented in the Junior Memory Work Tournament, and 2 in he Adult Scripture Reading Tournament. This represented 6 people in one or more of the tournaments.

Our Association was represented in the Regional Tournaments by: Juniors-Ann Brooks, Marsha Barber, Karla Mintz, and Mike McGuire of Andrews First. Adults-Mrs. Waymond Lunsford of Marble Springs.

We had 40 people from our association attending our North Carolina Baptist As-sembly at South Port last summer for one of our Church Training assembly weeks.

We have 27 Training Departments in our association with an enrollment of 1,481. Our goal for next year is 4 new departments with an enrollment of 1,600.

May I urge each of you to study and stay up to date with the current Training Materials. This is essential in order to know what is going on in the Church Training Department work. Pray for our leaders as they seek new ways to help us.

Respectfully submitted,
Mrs. Carl West

TRUETT CAMP REPORT

"To God be the Glory!" There is no other way to express or explain what has happened at Truett Camp this year. This has been the best season in several years, probably the best ever in the history of George Truett Baptist Camp.

Last year's report spoke of a good program, but few campers and very little money. This year we have had four weeks at full capacity, plus three weeks nearly full. The only girls' week not filled was an extra week hurriedly set up to provide for an overflow of reservations. That week had 26 who registered.

The program for both boys' camps, girls' camps were greatly improved. The Program for each week included a presentation of the folk musical "Good News," by a youth group from the Tennessee River Association and woodcarving each day by Mrs. Enoch Hogsed.

The second Junior Boys' Week also had an outdoor religious drama directed b Rev. Cecil McGee of our Baptist Sunday School Board in Nashville, Tenn. Then toc there was swimming in the new swimming pool. Quite refreshing during these hot hot days.

The greatest blessings are yet to be seen. These greatest blessings are the frui and witness that will go out from the lives and lips of those who attended. Go blessed with campers accepting Christ's call each week. Some accepted His call t salvation while almost all heard His call to deeper commitment of their lives t His service. These decisions for Christ make all the effort and money expende worthwhile, for this is what Truett Camp is all about.

We're looking forward to even a greater year in 1970!

Respectfully submitted,
Jesse A. Bailey, Ch.
Truett Camp Comm.

WOMAN'S MISSIONARY UNION REPORT

There have been changes within the Organization of W.M.U. work, but her purpos is the same. It has and shall ever be the carrying out of "The Great Commission." We are all Missionary Baptist Churches and every one of us are obligated to teac Missions. Study your minutes and note that the church that has a Missionary Organi zation has done far more in every phase of the work, with no exception.

Your Association did have a representative in every branch of the work fron Director to Sunbeam Leader last fall in the Workshop held at Black Mountain. W came home determined to do more mission teaching. I believe we did do better i Foreign and Home Mission Studies this year than ever. We thank Miss Addie Ma Cooke for making Hawaii come alive for seven of our churches in the Home Missio Study. Since she did Baptist work there three years she had first hand information.

If your church has no organized Mission Program, but would like to get in the Mission Studies all you need do is to let Mr. Lunsford or me know and the wish wil be granted.

Our Y.W.A.'s were present at the state meeting and came home to do the feature "A Cross for Sale" for our annual meeting. We know of three Bible presentatio services for young brides that they have given this year along with their othe activities.

The G.A.'s have held Coronations in at least seven churches and others plan to do likewise before the church year is over. Only eternity will reveal the many scriptures learned in passing off these steps that prepares these girls for Christian living. Congratulations Leaders!

Sunbeam Day Camp was tried in three areas last year instead of one-Andrews, Hayesville, and Murphy Areas each had a separate day. This could not have been done without the help of four very dedicated girls, Linda Bell, Kathy Green, and Peggy Hogsed who worked all three days and Elaine Woodard Coleman who helped one day.

Our Annual Meeting was held in the Murphy First Baptist Church with very good attendance. Mission Action work was featured and our hearts were stirred by the messages of our visiting Missionaries, the John F. Carpenters of Liberia, West Africa.

t was very appropriate that this was an integrated meeting, and all of us came away ith glad and thankful hearts for Foreign Missions.

We know of at least two churches that have started Mission Training with their eople: Grape Creek and Upper Peachtree. How glad we are! We hear another church n Clay County is ready to begin also. If we can be of assistance to any of you who ould be willing to lead a group from Sunbeams to Adults, Mrs. Greene or I either ould be delighted. You'll know joys you've never known before.

Respectfully submitted,
Mrs. Lloyd W. Hendrix
